## **SAFETY ASSESSMENT**

Product Name: Whirlpoolaroma Lavendel,  
Eucalyptus, Roos, Jeneverbes,  
Groene thee  
Art. Nr: SPGE1000, SPGE 1001,  
SPGE 1002, SPGE1004, SPGE 1005  
Manufactured by: Krook TCA, Dokkum  
Product use: Aroma for Whirlpool  
Date of issue: 06 januari 2010  
Supersedes statement number: N.A.

### **Conclusion:**

We conclude that the whirlpoolaroma Lavendel, Eucalyptus, Roos, Jeneverbes, Groene thee is safe to be marketed. This assessment has been conducted according to the guidelines laid down in the Cosmetics Directive 76/768/EEC as amended for the seventh time.

It is considered in the present state of knowledge, assuming production according [c-] GMP (Cosmetics Directive 76/768/EEC) that this “whirlpoolaroma” should not cause damage to human health when stored and used under normal and reasonable foreseeable conditions of use, and taking into account the directions for use and required warnings as indicated on the label.

This evaluation is based on consideration of the general toxicological profile of the single ingredients used, their chemical structure and their level of exposure.

This statement is provisional. If during marketing, an abnormally high number of serious cases of undesirable effects for human health are induced by this product, the undersigned assessor should then be informed of these effects and may consider a new evaluation of the safety of the product.
